

SOLDIER FOR LIFE TRANSITION ASSISTANCE PROGRAM JOB LEAD

DATE OPEN: 7/18/2016

DATE CLOSE: Unknown

Job title: Quality Assurance Inspectors

Location: San Diego, CA

Company: Unlisted

SALARY: \$15-\$20 per hour

SKILLS/DUTIES: Truth be told, a new, relatively untrained person is pretty much exactly what we are looking for. The hours would generally be from 6 AM to 2:30 PM M-F but there may be some weekend work or other hours required. The schedule is driven by the work that is being done on the ship, but we spread out our QA inspectors so that no one person is overly tasked. Starting salary for an entry level QA is normally between \$15 and \$20/hr depending on qualifications but can go much higher as experience and qualifications are acquired.

How to apply: Our client is looking to hire a military veteran for these positions. To apply, veterans please send tailored resume to John Engstrom, Vice President, Talent Acquisition at john.engstrom@fairwindsveteranrecruiting.com.
